Among those attending from Torrance were Mayor Bob Haggard, Superintendent of Recreation Frank Carpenter, Athletic Director Elmer S. Moon, and Recreation Commissioner Marvin Goettsch.

Radio and TV Stars, Prizes At Menorah Dance Saturday

All Torrance folk are urged to join in on the fun this Saturday night, June 23, at the Hollywood Riviera Club and perhaps win a prize when Temple Menorah of Redondo Beach presents their summer dance. Purpose of the dance is to raise money for the group's building fund.

A star-studded cast has been signed up for the event, the first of its kind, as well as the arrangement of a tempting variety of events. This is the Temple's first attempt at fund-raising via public entertainment.

DANCE PRIZES
Prizes for winners of each of the three dance contests—waltz, fox trot, and rumba—will be awarded by Rosemary DeCamp, famous star of screen, radio and television. Miss DeCamp, who lives in Hollywood Riviera, is the wife of Judge John Shidler.

Judges for the dance events will be from Stover - Lane Dance Studios. They are announced as Berta, Marie, Miss Stover and Miss Lane.

Acting as master of ceremonies for the evening will be Frank Jenks, familiar to movie and television fans.

Music for the 9 p.m. to 1 a.m. dancing will be provided by the Sandman's Band. Refreshments will be served.

Tickets may be obtained at the door the night of the dance.

Calisthenics, Golf Courses May be Offered

Calisthenics classes and golf lessons will be offered during the summer if possible, according to Mr. Betty Schaefer of the Torrance Recreation Department.

"All we need is a large enough group to warrant the necessary cost," states Mrs. Schaefer.

The third time was the charm for Judy Glascock, versatile Palos Verdes Estates rider who is equally at home on western, hunters, English or Western horses.

After coming close in 1949 and 1950, the attractive Redondo high school junior rode off with the Vanderlip Perpetual Trophy at the Portuguese Bend Riding Club's annual Open Horse Show Saturday and Sunday. The award is given each year to the youngster winning the most points in junior events.

Plans for Boys Softball Leagues During Summer

Plans are presently being formulated by the Torrance Recreation Department for a well rounded boys' softball program during the summer months.

Leagues will be formed as soon as possible with the competition being split up into the Pee Wee, Midget, Junior and Senior classifications. Any boy 17 years of age or under will be eligible to compete.

Three separate leagues will be formed—the South, Central, and North—in order to cut down the large amount of traveling from one area to another which was necessary with last year's one-league set up.

Playground areas which will be represented are WALTERIA, Hollywood Riviera, Seaside, Fern, Nativity, Torrance Park, McMaster Park, North Torrance Elementary, and Pueblo. The primary objective of the program is to promote activity for as many boys as possible and to give them all equal opportunity.

Any boy who is interested in joining a team is invited to sign up with his playground director.

Girls Softball Play Opened by Rebels, Pueblo

The Rebels meet Pueblo in the 7 p.m. opener and Harvey Machine takes on the Sea-Era's in the nightcap at WALTERIA tonight to close the initial week of the Torrance-Lomita Girls Softball League play.

Next Tuesday competition moves to the Lomita Softball Field where WALTERIA will collide with the Y-Teens and Lomita takes on Pueblo.

According to Miss Doris Avis of the Torrance Recreation Department, any girl interested in competing should contact her at the high school playground during the week.

There will be at least one complete round-robin tournament.

Ballroom Dance Class Open at Adult School

The free social dancing class, open to both children and adults, regardless of residence, is held each Monday and Wednesday nights at the Torrance High School Library at 7 o'clock.

Charles Bryant, former Arthur Murray instructor, handles the complete summer course, with instruction in the foxtrot, waltz, rumba, tango, samba, mambo, and New Yorker.

How to make good telephone service even better....

Faster Long Distance service Maybe you never if you place your call like this thought of it this way, but you can help your Long Distance operator save your time if you give her your call like this: First, the name of the town you're calling. Then the telephone number. And finally the name of the person you're calling—if it's a person call. You'll find this tip particularly helpful these days when Long Distance lines are busy carrying the calls that are aiding our military forces and our industries to build the nation's strength.

Have you started keeping a handy out-of-town number list? You'll find you can save considerable time in completing Long Distance calls if you give the operator the number you want rather than just the name and address. That way, you see, you won't have to wait while she calls "Information" in the distant town to get the number you're calling.
